

DSP Student Grant Request

Fall 2009

Please review the DSP Student Grant Guidelines (<http://dsp.berkeley.edu/grants.html>).

If you are currently a client of the California State Department of Rehabilitation (DR), we encourage you to make your initial request to your DR counselor. DR will provide telecommunication, sensory and other technological aids and devices needed by their DR student clients to complete the IPE.

All application questions must be answered and completed. Incomplete applications will not be reviewed.

Date: _____
 Month Day Year

Name: _____

I am: Undergraduate Graduate

Please describe in detail the equipment you would purchase with a Student Grant. Indicate the cost (including sales tax calculated at 9.75%) for each item.

Total cost of equipment requested:

Please articulate how the need for this equipment relates to your disability and will improve access.

Your application for any adaptive software or equipment requires that you complete an assistive technology assessment with DSP's Assistive Technology Specialist. Please include a copy of your assessment report with this application.

Submit your application to:
